THE GOOD RACING CO.

RACING ... AND MORE

Enjoy shared experiences, great days out, and meaningful connections - all set within one of Yorkshire's most unique racing locations.

The Good Racing Company is about far more than race days. Based in the heart of Yorkshire at Eboracum Racing Stables in York, we offer a unique attraction that combines sport, experiences, and community in an unforgettable setting. Visitors can enjoy behind-the-scenes access to a working racing yard, soak up the atmosphere of a historic training base, and take part in VIP experiences. For those wanting a deeper connection, our racing clubs, membership and syndiacte opportunities provide exclusive updates, owner experiences, and insider access to the world of horse racing, making every visit memorable.

Our base at Eboracum Racing Stables provides a distinctive venue with stunning panoramic views across the gallops and surrounding countryside, enjoyed from our exclusive Owners Lounge and balcony. The stables offer versatile facilities ideal for hosting a wide range of occasions, from intimate gatherings to larger group events. Guests can enjoy behind-the-scenes access to a working racing yard, soak up the atmosphere of a historic racing location, and experience something truly different in York.

While racing is at the heart of what we do, our events extend well beyond the track. We host a diverse calendar of experiences including brewery tours, comedy nights, 'in conversation' evenings with sporting and celebrity guests, and exclusive social events designed to bring people together. These experiences are open to both members and non-members, making The Good Racing Company a welcoming destination for all.

TGRC is also available as a venue for birthdays, special celebrations, corporate days, team-building events, and private functions, offering a memorable alternative to traditional event spaces. Whether it's a relaxed social gathering or a professionally hosted corporate experience, our setting and team ensure every event is delivered with care and attention to detail.

Discover Our Racing Clubs

Experience the excitement of The Good Racing Company through our Racing Clubs. Enjoy VIP race day access, behind-the-scenes stable visits, exclusive events, and owners-only competitions, with regular updates and videos from trainers keeping you connected. Your membership also supports important charitable causes, including MND awareness, spinal injury programs, and community wellbeing initiatives — combining the thrill of racing with making a real difference.
